

CITY OF PALMDALE

APPLICANT TIPS

Prepare Ahead of Time

Collect details about your education and employment history. You may submit a resume, by pasting it into or attaching it to the application. Do not use html tags. The first time you create an application, be ready to spend 30 minutes or more, though you can save your work at any time and return to it later. You will also need an email account. If you do not already have one, free email is available through providers such as Yahoo, Hotmail, and AIM mail (AOL).

Log In to Our Secure Website
