INDEPENDENT AUDITORS' REPORT

Board of Directors
Palmdale Community Foundation
Palmdale, California

We have audited the accompanying statement of financial position of the Palmdale Community Foundation (a California nonprofit organization) as of June 30, 2010, and the related statements of activities, cash flows and functional expenses for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Palmdale Community Foundation as of June 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2010

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

The Palmdale Community Foundation (the “Foundation”), a non-profit organization, is organized under the California Nonprofit Public Benefit Corporation Law for public purposes.

The specific purpose of the Foundation is to receive contributions and donations from the public and to use such contributions and donations to support charitable, literary, and educational activities authorized by Section 501 (c) (3) of the Internal Revenue Code, including the support of programs, projects, and activities sponsored by the City of Palmdale.

Persons appointed to the Foundation’s Board of Directors must include the City Attorney of the City of Palmdale, the Finance Director of the City of Palmdale, and the Assistant to the City Manager of the City of Palmdale. If the number of authorized directors exceeds three (3), the additional Directors must be persons who are affiliated with public or private agencies that provide services to the public in the City of Palmdale.

Financial Statement Presentation

The Foundation prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The financial statements include the accounts maintained by and directly under the control of the Foundation.

The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Foundation is required to present a statement of cash flows. The Foundation does not use fund accounting. Revenues and expenses are recorded when incurred in accordance with the accrual basis of accounting.

Program Expenses

The Foundation supports various programs, projects, and activities sponsored by the City of Palmdale which include the library, airpark, playhouse, SAVES, veterans salute, fall festival, families in action, toy drive, and the Jazz festival. The expenses for all such programs supported by the Foundation are considered direct expenses and do not include any administrative costs.

Allocation of Functional Expenses

The costs of providing the various programs, fundraising, and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Management has classified the expenses among the programs.

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (Continued)

Income Taxes

The Palmdale Community Foundation is exempt from Federal income and California franchise taxes under Section 501(c) (3) of the Internal Revenue Code and corresponding California provisions. Accordingly, no provision for income taxes has been recorded in the financial statements. The Foundation has also been classified as an entity that is not a private foundation within the meaning of Section 509(a). The Foundation annually files forms 990, 199, and RRF-1 with the appropriate agencies.

Contributions

Contributions are recognized when received and are measured at their fair value at the date of contribution and are reported as an increase in net assets. The Foundation reports gifts of cash or other assets in the category designated by the donor. The Foundation reports gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Absent explicit donor stipulation about where the contributions are to be spent, the Foundation reports these contributions as unrestricted.

Statement of Cash Flows

The indirect method is used to report cash flows from operating activities. Cash and cash equivalents include short term highly liquid cash balances not restricted by donors for specific purposes.

Fair Value Measurements

The Foundation determines the fair market values of certain financial instruments based on the fair value hierarchy established in Statement of Financial Accounting Standards Fair Value Measurements, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

The following provides a summary of the hierarchical levels used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Foundation used the market approach to estimate fair value for all investment assets.

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (Continued)

Subsequent Events

In May 2009, the Financial Accounting Standards Board (FASB) issued guidance which requires the effects of events that occur subsequent to the balance sheet date be evaluated through the date the financial statements are either issued or available to be issued. Entities are to disclose the date through which subsequent events have been evaluated and whether that date is the date the financial statements were issued or the date the financial statements were available to be issued. Entities are required to reflect in their financial statements the effects of subsequent events that provide additional evidence about conditions at the balance sheet date (recognized subsequent events). Entities are also prohibited from reflecting in their financial statements the effects of subsequent events that provide evidence about condition that arose after the balance sheet date (nonrecognized subsequent events), but requires information about those events to be disclosed if the financial statements would otherwise be misleading. This guidance was effective for annual financial periods ended after June 15, 2009 with prospective application. The Foundation adopted the guidance for the year ended June 30, 2010, by including the required disclosures in Note 6 to the financial statements.

Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles

In June 2009, accounting standards were revised to establish the Accounting Standards Codification (the Codification) as the source of authoritative accounting principles recognized by the FASB to be applied by nongovernmental entities in the preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP). The Codification does not change current GAAP, but is intended to simplify user access to all authoritative GAAP by providing all the authoritative literature related to a particular topic in one place. The Codification is effective for annual periods ended after September 15, 2009, and as of the effective date, all existing accounting standard documents were superseded. Adoption of the Codification in 2009 did not have a material impact on the Foundation's financial statements.

NOTE 2 – DONATED SERVICES, MATERIALS, AND FACILITIES

The Foundation receives donated services, materials and facilities from a variety of unpaid volunteers. In addition, the City of Palmdale has donated a significant amount of staff time primarily for administrative services. However, these donated services are not reflected in the financial statements since there is no readily determined method of valuing the services.

NOTE 3 – CASH

The total cash held by the Foundation at June 30, 2010, was \$1,199, which was covered by insurance provided by the federal government.

In addition, cash and investments of the Foundation in the amount of \$224,364 are pooled with funds of the City of Palmdale for deposit and investment purposes. Interest earned on pooled cash and investments is credited to the funds based on each respective fund’s month-end cash balance. Additional information relating to the City’s investment pool can be found in the City of Palmdale’s Comprehensive Annual Financial Report as of June 30, 2010.

Assets and Liabilities Recorded at Fair Value on a Recurring Basis

The following table presents the balances of the assets measured at fair value on a recurring basis as of June 30, 2010. The Organization did not have any liabilities measured at fair value on a recurring basis as of June 30, 2010.

NOTE 4 – TEMPORARILY RESTRICTED DONATIONS

Amounts received by the Foundation are temporarily restricted if they are received with donor stipulations that limit the use of the donated asset. The restricted asset is reclassified to unrestricted net assets when the donation is utilized for the specified purpose. At June 30, 2010, the Foundation had temporarily restricted assets in the amount of \$225,563 and held for the following programs.

	Temporarily Restricted Donations
Community Supported Programs	
Parks and Recreation	\$ 22,828

NOTE 6 – SUBSEQUENT EVENTS

The Foundation's management has evaluated events or transactions that may occur for potential recognition or disclosure in the financial statements from the balance sheet date through January 18, 2011, which is the date the financial statements were available to be issued. Management has determined that there were no subsequent events or transactions that would have a material impact on the current year financial statements.
