Gas Main Work to Close Ave. S/47<sup>th</sup> E. Overnights

PALMDALE — A PUC compliance work/value repair project by Southern California Gas Company will require the closure of the eastbound lane on the east side of Avenue S at 47<sup>th</sup> St. East (state route 138) from 9 pm to 5 am beginning Monday, Dec. 4. It is expected to be completed in four to six weeks.

The street closure will create a detour from Avenue R-8 to 55<sup>th</sup> St. East and back to Avenue S. The hours of this closure have been planned around peak commuter and local school times.

For more information, please call Rob Duchow at 661/393-1501 or email [rduchow@semprautilities.com](mailto:rduchow@semprautilities.com).
