b) Mixed-Use and Residential Projects that create four (4) or less residential units			
7. Exemptions - Municipal Development			
a)	Costs of non-construction-related activities such as studies, design, reports, leases, and easements; including, without limitation, activities in the City's capital improvement budget that are designated as non-construction.		
b)	The cost of environmental review, whether or not it is related to a construction project.		
c)	Sewer and drainage projects and other below-ground construction.		
d)	Capital Improvement Program projects that are designated as maintenance in the City's CIP budget or designated as non-construction projects in the GIP budget, retrofits (e.g., seismic or those required to meet legal requirements such as compliance with the Americans with Disabilities Act); site remediation; acquisition or installation of furniture, fixtures, and equipment; and affordable housing projects.		
e)	Nothing is intended to prohibit the City Manager, in conjunction with the submission and approval of the annual capital budgets of the City and subject to the approval of the City Council, from designating additional funds, subject to applicable restrictions, to be utilized for public art.		
f)	Appropriations for purposes of acquiring public art in order to carry out the provisions of this ordinance shall comply with applicable funding source requirements. If the source of funding or other applicable law or regulation with respect to any particular project prohibits or restricts the use of funds for public art, the amount of funds so prohibited or restricted shall be excluded in determining the 1%.
