WHEREAS, individual COVID-19 vaccination records are private health information which should not be shared by mandate; and

WHEREAS, individuals may have infection-acquired immunity, and others are unable to obtain a COVID-19 vaccination due to health, religious, or other reasons; and

WHEREAS, so-called COVID-19 vaccine passports reduce individual freedom and will harm patient privacy; and

WHEREAS, requiring so-called COVID-19 vaccine passports for taking part in everyday life – such as attending a sporting event, patronizing a restaurant, or going to a movie theater – would create two classes of citizens based on vaccination; and
