The City of Palmdale is requesting input from reviewing agencies and the public regarding the scope and content of the EIR.

This Notice of Preparation (NOP) is also available on the City’s website at: https://cityofpalmdale.org/176/Planning

Date of Notice: August 29, 2022
Notice of Preparation Review Period: August 30, 2022, to September 30, 2022
Scoping Meeting: September 15, 2022, at 5:00 p.m.

The subject site comprises a vacant approximately 18-acre property located south of Rancho Vista Boulevard between Sierra Highway and 8th Street East (Assessor Parcel Number (APN) 3022-001-027) in the City of Palmdale, CA. The site has an IND (Industrial) General Plan land use designation and M-2 (General Industrial) zone. Pursuant to Palmdale Municipal Code (PMC) Chapter 17.62, the M-2 zone is intended for a variety of light and heavy industrial uses. The General Plan designation of the site is anticipated to change to IND as part of the City’s General Plan Update. This designation is intended for a variety of heavy industrial uses, including manufacturing and assembly of products and goods, warehousing, distribution, and similar uses. The specific uses allowed within the IND zone will be determined in conjunction with a comprehensive Zoning Ordinance Amendment, which will be processed after the General Plan Update.

The Project Applicant proposes to develop the property with one 384,800 square foot industrial building with dock doors facing north and south. The future building user/tenant is unknown at this time. Associated site improvements would include parking areas, drive aisles, landscaping, lighting, and signage.

The proposed development requires City of Palmdale review and approval of a Site Plan Review application. The Application filed with the City of Palmdale includes the following:
Site Plan Review 22-012 is a proposed site plan for the development of one industrial building on the subject property.
