DATE: December 5, 2019

**ROAD CONSTRUCTION UPDATE  
FOR THE WEEK OF DECEMBER 9 THROUGH DECEMBER 15  
GENERAL ROAD CONSTRUCTION:**

**1 - Pearblossom Highway from 33<sup>rd</sup> Street East to 45<sup>th</sup> Street East – New Traffic Pattern**

Reconstruction work will begin on the north side of the roadway on Saturday, November 23. One lane of travel for each direction will be provided on the south side of the roadway. Please follow traffic control and expect delays

**2 - 10<sup>TH</sup> Street West at Auto Center Drive**

Intermittent lane closures for installation of a new traffic signal at the intersection. Completion and traffic signal turn on scheduled for the end of February.

**3 – West Park Drive from 5<sup>th</sup> Street West to Corporate Drive**

Intermittent lane closures for landscape median renovations.

**4 - 10<sup>th</sup> Street West from Avenue M-14 to Avenue N-8**

Intermittent right lane closure southbound on 10<sup>th</sup> Street West for water line installation.

**5 – Palmdale Boulevard/State Route 138 and 40<sup>th</sup> Street East**

Intermittent lane closures on eastbound Palmdale Boulevard for sewer line installation.

**6 - Rancho Vista Boulevard from 15<sup>th</sup> Street West to 30<sup>th</sup> Street West**

Intermittent lane closures for street widening, which includes curb and gutter, sidewalk, street lights, traffic signal modifications, center medians, landscape, and asphalt paving.

**7 - Tierra Subida Avenue from Avenue S to Avenue R-5**

Intermittent lane closures and a flagging operation for Southern California Gas Company's installation of a new gas line. Expect delays.

**8 - Eastbound Technology Drive from 5<sup>th</sup> Street West to the State Route 14 Antelope Valley Freeway overpass and Carriage Way from Auto Vista Drive to Technology Drive**

Intermittent lane and shoulder closures for landscape construction.

**9 - Rancho Vista Boulevard (Avenue P) at the State Route 14 Antelope Valley Freeway bridge from 10<sup>th</sup> Street West to Country Club Lane**

Intermittent lane closures for potholing, conduit installation and median repairs.
