ROAD CONSTRUCTION UPDATE
FOR THE WEEK OF OCTOBER 26 THROUGH NOVEMBER 1, 2020
GENERAL ROAD CONSTRUCTION:

1 – Pearblossom Highway from the California Aqueduct bridge to Valley Springs Road
Full closure of Pearblossom Hwy. from the California Aqueduct bridge to Valley Springs Road for roadway reconstruction work, starting June 12, 2020 and continuing through November 2020.

While Pearblossom Hwy. is closed, passenger vehicles will be detoured to Avenue S at Sierra Hwy. and Fort Tejon Rd. Local access will be provided to residents in the construction area, as needed and as construction permits. Travelers/commuters are advised to expect delays and to take alternate routes where possible. Avenue R, Avenue S, Palmdale Blvd/SR-138, Avenue P, or Avenue M are alternate east/west routes through the City to consider.

Commercial trucks having a manufacturer’s gross vehicle weight of 10,000 pounds or more must stay on designated truck routes, such as Sierra Hwy., Palmdale Blvd./ SR-138, 47th St. East / SR-138, and Fort Tejon Rd. / SR-138 (see Title 10 of the Palmdale Municipal Code). Avenue S and Avenue R are not designated truck routes. Trucks are permitted on non-truck routes when it is the shortest and most direct route to perform a pickup or delivery. A map of the City’s truck routes can be found here: https://cityofpalmdale.org/DocumentCenter/View/513/Truck-Routes-PDF

For additional information, please visit the project website at http://www.pearblossomrebuild.com/index.html.
Any questions please call (855) 211-2200 or email to info@PearblossomRebuild.com.

2 – Division Street north of Avenue R
Flagged traffic on northbound Division Street from 300 feet north of Avenue R to 1500 feet north of Avenue R on Saturday, October 24 for water line work. Please use alternate routes if possible and expect delays.

3 – 6th Street East north of Avenue R
Closure of northbound lane on 6th Street East, north of Avenue R on October 27 and 28 for storm drain cleaning. Please use alternate routes if possible and expect delays.

4 – Zinnia Street at Spanish Broom Drive
Intermittent shoulder closure on the west side of Zinnia Street south of Spanish Broom Drive and intermittent closure on the south side of Spanish Broom Drive west of Zinnia Street for Landscape Assessment District tree trimming.
5 – **Spanish Broom Drive at Casa Verde Avenue**
Intermittent shoulder closure on the north and south side of Spanish Broom Drive east of Casa Verde Avenue for Landscape Assessment District tree trimming.

6 – **Avenue R-8 at 20th Street East**
Intermittent shoulder closure on the north and south side of Avenue R-8 west of 20th Street East for Landscape Assessment District tree trimming.

7 – **Avenue R-8 east of 15th Street East**
Intermittent shoulder closure on the north side of Avenue R-8 east of 15th Street East for landscape Assessment District tree trimming.

8 – **12th Street East at East Avenue R-8**
Intermittent shoulder closure on the west side of 12th Street East north of Avenue R-8 for Landscape Assessment District tree trimming.

9 – **10th Street West at West Avenue N**
Intermittent lane closures on 10th Street West for sewer and street work. Please use alternate routes if possible and expect delays.

10 – **East Avenue P at 25th Street East**
Closure of the eastbound #2 lane on Avenue P for water line work. The signal at 25th Street East will be on Red Flash (four way stop) during this work. Please use alternate routes if possible and expect delays.

11 – **Sewer repairs at various locations in east Palmdale**
Intermittent lane closures at various locations for sewer repairs within the City of Palmdale. Most locations should only take one or two days to complete.

12 – **Palmdale Boulevard at 40th Street East**
Intermittent closures on east bound Palmdale Boulevard for installation of handicap ramps.

13 – **35th Street East from Palmdale Boulevard to Avenue Q-12**
Intermittent lane and shoulder closures for street improvements and traffic signal construction at Avenue Q-10.

14 – **Rancho Vista Boulevard from 15th Street West to 30th Street West**
New traffic pattern east bound Rancho Vista Blvd. Phase Three Traffic control is set up for the construction of the center medians, landscape, and street improvements. There will be limited left turns at most intersections between 15th Street West and 30th Street West. There will also be traffic signal modification work at 20th St. West and at 25th St. West including the installation of new traffic signal poles. The traffic signals at these locations will be on red flash (four way stop) at times during this work. Please use alternate routes if possible and expect delays.

15 – **50th Street West from Avenue N to Avenue N-8**
Lane closures on 50th St. West for street improvements.

16 – **Pearblossom Highway from Valley Springs Road to 55th Street East**
Final paving of Segment 2 and Segment 3 from Valley Springs Road to 55th Street East will start on October 22 and continue through October 29. Traffic will be directed to the
inside or outside lanes as paving work is completed on the adjacent lanes. Intersections at 37th Street East, 40th Street East, and 47th Street East will be closed temporarily as the paving operation progresses. Please visit the project website for detailed schedule updates.

For more information, call the public works department at 267-5300.
