DATE: October 16, 2020

ROAD CONSTRUCTION UPDATE FOR THE WEEK OF OCTOBER 19 THROUGH OCTOBER 25, 2020 GENERAL ROAD CONSTRUCTION:

1 – Pearblossom Highway from the California Aqueduct bridge to Valley Springs Road

Full closure of Pearblossom Hwy. from the California Aqueduct bridge to Valley Springs Road for roadway reconstruction work, starting June 12, 2020 and continuing through November 2020.

While Pearblossom Hwy. is closed, passenger vehicles will be detoured to Avenue S at Sierra Hwy. and Fort Tejon Rd. Local access will be provided to residents in the construction area, as needed and as construction permits. Travelers/commuters are advised to expect delays and to take alternate routes where possible. Avenue R, Avenue S, Palmdale Blvd/SR-138, Avenue P, or Avenue M are alternate east/west routes through the City to consider.

Commercial trucks having a manufacturer's gross vehicle weight of 10,000 pounds or more must stay on designated truck routes, such as Sierra Hwy., Palmdale Blvd / SR-138, 47th St. East / SR-138, and Fort Tejon Rd. / SR-138 (see Title 10 of the Palmdale Municipal Code). Avenue S and Avenue R are not designated truck routes. Trucks are permitted on non-truck routes when it is the shortest and most direct route to perform a pickup or delivery. A map of the City's truck routes can be found here:

3 – Domenic Massari Park

Domenic Massari Park tree trimming in the central park walkways.

4 – 10th Street West at West Avenue N

Closure of all southbound lanes on 10th Street West at Avenue N for sewer line work from October 13-15. Northbound 10th Street West limited to 1 lane. The signal will be on Red Flash (four way stop) during this work. Traffic to be detoured west to 20th Street West or east to Sierra Highway and then south to Avenue O. Please use alternate routes if possible and expect delays.

5 – East Avenue P at 25th Street East

Closure of the eastbound #2 lane on Avenue P for water line work. The signal at 25th Street East will be on Red Flash (four way stop) during this work. Please use alternate routes if possible and expect delays.

6 – Sewer repairs at various locations in east Palmdale

Intermittent lane closures at various locations for sewer repairs in the area bounded by 5th Street West to the west, 20th Street East to the east, Avenue S to the south and Avenue Q to the north. Most locations should only take one or two days to complete.

7 – Palmdale Boulevard at 40th Street East

Intermittent closures on east bound Palmdale Boulevard for installation of handicap ramps.

8 – 35th Street East from Palmdale Boulevard to Avenue Q-12

Intermittent lane and shoulder closures for street improvements and traffic signal construction at Avenue Q-10.

9 – Rancho Vista Boulevard from 15th Street West to 30th Street West

New traffic pattern east bound Rancho Vista Blvd. Phase Three Traffic control is set up for the construction of the center medians, landscape, and street improvements. There will be limited left turns at most intersections between 15th Street West and 30th Street West. There will also be traffic signal modification work at 20th St. West and at 25th St. West including the installation of new traffic signal poles. The traffic signals at these locations will be on red flash (four way stop) at times during this work. Please use alternate routes if possible and expect delays.

10 – 50th Street West from Avenue N to Avenue N-8

Lane closures on 50th St. West for street improvements.
