CITY COUNCIL

CITY OF PALMDALE, CALIFORNIA

RESOLUTION NO. CC 2015-046

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALMDALE
RESTATING IN ITS ENTIRETY THE PALMDALE FEE SCHEDULE AND
REPEALING RESOLUTIONS CC 93-143, 93-170, 94-111, 96-84, 96-162, 2006-129,

THE CITY COUNCIL OF THE CITY OF PALMDALE HEREBY FINDS, DETERMINES
AND RESOLVES AS FOLLOWS:

SECTION 1. REPEAL. Resolutions CC 93-143, 93-170, 94-111, 96-84, 96-162, 2006-
128, 2012-048, 2012-092, 2013-044, 2014-063 are hereby repealed in its entirety

SECTION 2. FEE SCHEDULE. The fees, charges and requirements set forth in THE
PALMDALE FEE SCHEDULE attached hereto as Exhibit A, Schedule A, Schedule B,
Schedule C, and Schedule D and incorporated herein by reference are hereby
approved and adopted as the City of Palmdale Fee Schedule to be imposed as set forth
therein.

SECTION 3. AUTHORIZATION FOR WAIVERS OR REDUCTIONS OF FEES, RATES
AND CHARGES

Unless an ordinance of the City prohibits such or prescribes alternate procedures, any
person subject to payment of the fees, rates and charges established hereunder may
apply to the City Manager for a waiver or reduction of such fees, rates or charges. The
application shall be made in writing and shall state in detail the factual basis for the
request, including a description of the proposed project, program, activity or other
undertaking involved and the extraordinary benefits to the City resulting there from
which justify the requested waiver or reduction of fees, rates or charges.

The City Manager may consider the application and upon a finding of extraordinary
benefit to the City, waive or reduce such fee rate or charge. The determination of the
City Manager shall be final and conclusive.

SECTION 4. AUTHORIZATION.

The City Council hereby finds and determines that the existing, new or increased fees,
rates, and charges established in this Resolution are in an amount reasonably

a. The fee of $250.00 or higher will be charged if the proposed event or use involves coordination with other agencies, i.e., Sheriff’s and Fire departments or other City Department such as Development Services, Public Works, Neighborhood Services, City Attorney, etc.

b. The fee is non-refundable and does not guarantee approval of the application.
5. OUTDOOR EVENTS

A 50% increase on standard outdoor rental rates applies for any event defined as a festival-style event, concert, parade, or organized gathering of 101 patrons or more where the event is advertised and open to the public or event that is invitation only. The 25% non-profit discount does not apply toward outdoor events. All outdoor events will be charged a $500.00 refundable security deposit or a $1,000.00 refundable deposit for events with alcohol.

6. SPECIAL EVENT INSURANCE

Certification of insurance is required for most reserved uses of facilities. If a facility user does not have access prior to the proper insurance that may be required, the City, through its insurance carrier, can offer the appropriate level of coverage. See Section 2.C for fees.

7. PERSONNEL

Fees listed in Section 5, Department of Recreation and Culture, are basic fees and some may not include the cost for the City to provide staff assigned to perform duties required for the use to occur. Staff will be required as determined by the Director of Recreation and Culture or designee and may include a minimum two-hour charge. The hourly rate for staff includes wages, 45% for full-time staff benefits and 15% for part-time staff benefits, and a 25% administrative fee. Unless the use warrants otherwise, staff will be scheduled to be on site one-half hour before and after use.

8. SET-UP/CLEAN-UP FEE

100% of hourly use rate unless otherwise noted

9. NON-RESIDENT FEE FOR USE OF FACILITIES AND/OR EQUIPMENT

a. A fee will be assessed to profit and not-for-profit, non-Palmdale residents, groups, businesses, organizations, and government agencies.

b. Non-residents are those residing outside City limits

c. The non-resident fee is an amount added to the total sum for use of facilities and/or equipment and calculated as follows:

i. 25% of sum of rental to $199.00

ii. 15% of sum of rental $200.00 to $499.00

iii. 10% of sum of rental $500.00 or more

d. The non-resident fee may be reduced or waived if the applicant can
demonstrate that citizens of the City of Palmdale benefit from the use of facilities or the services being provided.

e. The non-resident fee does not apply to uses of Pelona Vista Park. This site was quitclaimed to the City by the County with the condition that all county residents receive equal access.

10. RENTERS CHARGING FOR PARKING/ENTRANCE FEES AT ANY CITY FACILITY OR PARK SHALL PAY THE CITY 25% OF PARKING FEES/ENTRANCE FEES COLLECTED

The minimum fee for all non-residential connections shall not be less than $2,523.

The fees for uses not specifically listed above, shall be computed by the Public Works Director, using a similar use designation or the expected average daily discharge to the sewer system times $8.41 per gallons per day.

The above fees shall automatically adjust annually by the same percentage of change in the Consumer Price Index on March 1st of each year, for the All Urban Consumers, for the Los Angeles-Riverside-Orange County Area (CPI), as determined by the United States Department of Labor, Bureau of Labor Statistics, or its successor. Should the Bureau of Labor Statistics revise such index, the Director of Finance shall use the revised index or a comparable system as approved by the City Council for determining fluctuations in the cost of living.
A. General Fees

Investigation Fee for Work constructed Without a Permit

The investigation fee shall be equal to and in addition to the permit fees specified, but in no event shall the investigation fee be less than $322.20.

Exception 1: The investigation fee shall be $161.10 when the Building Official has determined that the owner-builder of a one family or two family dwelling, accessory building or accessory structure, had no knowledge that a permit was necessary and had not previously applied for a permit from Building and Safety office of the City of Palmdale.

Exception 2: The foregoing provisions shall not apply to emergency work when it shall be proved to the satisfaction of the Building Official that such work was urgently necessary and that it was not practical to obtain a permit therefore before the commencement of the work. In all such cases, a permit must be obtained as soon as it is practical to do so and if there is an unreasonable delay in obtaining such permit this exception shall not apply and the investigation fee shall be charged.

The payment of the investigation fee shall not exempt any person from compliance with all other provisions nor from any penalty prescribed by law.

Modifications Fee

A written application for the granting of such modifications shall be submitted together with a filing fee of $185.20. When actual staff review exceeds two hours, an additional fee of $92.60 per hour shall be charged for each hour or fraction thereof in excess of two hours.

Alternate Materials and Methods of Construction Fee

A written application for use of an alternate material or method of construction shall be submitted together with a filing fee of $185.20. When actual staff reviews exceeds two hours, an additional fee of $92.60 per hour.

Appeals filing Fee.

A fee of $411.10 shall be paid to the building official whenever a person requests a hearing or a rehearing before the appeals board.

Noncompliance Fee.
SCHEDULE C
BUILDING AND SAFETY FEES
EFFECTIVE JULY 1, 2015

The amount of the noncompliance fee shall be $97.00 per building for Group R, Division 3 Occupancies and $193.40 for all other occupancies, and shall be in addition to the fees specified elsewhere.

Preliminary plan review Fees.

The Preliminary plan review fee is $209.30. An additional fee of $104.80 per hour shall be charged for each hour or portion thereof in excess of two hours. All charges must be paid at the conclusion of any such meeting and before any written findings are issued.

EXCEPTION: one staff member, not in excess of 15 minutes, shall charge no fee for a preliminary review.

Plan Maintenance Fee.

Before issuing permit, the Building Official shall collect a plan maintenance fee for all plans required to be retained by Section 19850 of the Health and Safety Code. The amount of the plan maintenance fee shall be two percent of the permit fee provided, however, that the minimum fee shall be $26.90 and the maximum fee shall be $403.10. This fee shall not apply if all plans and documents are submitted in an electronic format as approved by the Building Official. A plan maintenance fee shall be collected for each separate plan to be retained by the Building Official.

Special Inspector Registration fees.

Applications shall be made in writing. Proof of the required certificates and a fee of $130.60 shall accompany the application. Registration for special inspectors shall expire biennially on June 30 and must be renewed by payment of a biennial renewal fee of $91.90.

B. Palmdale Building and Residential code permit and plan check fees.

Plan Checking or Review Fees for Buildings or Structures.

When an application for a building permit is submitted for review, whether or not
plans and specifications are required by Section 106.4.2, a fee shall be paid to
the Building Official. Said fee shall be equal to 85 percent of the building permit
fee as set forth in Table 1-A, provided, however, that the minimum fee shall be
$104.80. In addition to the aforementioned fees, the Building Official may require
additional charges for review required by changes, additions or revisions of
approved plans or reports, and for services beyond the first and second check
due to changes, omissions or errors on the part of the applicant. The payment of
said fees shall not exempt any person from compliance with other provisions of
this PBC.

The fees specified in this section are separate fees from the permit fees specified
above.

Standard Plans.

The Building Official may approve a set of plans for a building or structure as a
"standard plans," provided that the applicant has made proper application,
submitted complete sets of plans as required by this section, and paid the plan
checking fee required above, or $144.00, whichever is greater.

Plans shall reflect laws and ordinances in effect at the time a permit is issued
except as provided herein below in this section. Nothing in this section shall
prohibit modifying the permit set of plans to reflect changes in laws and
ordinances, which have become effective since the approval of the standard
plan. The standard plans shall become null and void where the work required by
such changes exceeds ten percent of the value of the building or structure. When
it is desired to use an approved "standard plan" for an identical structure, two plot
plans and one duplicate plan shall be submitted and a plan checking fee equal to
70 percent of the full plan checking fee required above shall be paid at the time
application is made for such identical structure. Such duplicate plans shall be
compared, stamped and kept on the project site. In case of deviation from this
standard plan, except as permitted in this section, complete plans, together with
a full plan-checking fee, shall be submitted for the proposed work.
SCHEDULE C
BUILDING AND SAFETY FEES
EFFECTIVE JULY 1, 2015

Standard plans shall be valid for a period of one year from the date of approval. The standard plan can be extended by the Building Official an additional year upon payment of an extension fee equal to 30% of the original fee providing the standard plans are being restandardized under the same year codes as the original standard plan approval.

107.4 Expiration of Plan Application.
Applications for building, grading, landscape and relocation building permits for which no permit is issued within one year following the date of application shall expire by limitation. Plans and specifications previously submitted may thereafter be returned to the applicant or destroyed by the Building Official or City Engineer. The Building Official or City Engineer may extend the time for action by the applicant for a period not exceeding six months beyond the one-year limit upon written request by the applicant showing that circumstances beyond the control of the applicant have prevented action from being taken and upon payment of an extension fee equal to 25 percent of the plan check fee. No permit application shall be extended more than once. Once an application has expired, the applicant shall resubmit plans and specifications and pay a new 100% plan check fee.

C. Electrical code permit and Plan check fees.

Except as otherwise provided in the PAP, at the time of filing an application a fee shall be paid to the City of Palmdale as set forth in this Section.

Electrical Permit Fees.

PERMITS
For issuing permits, each, $32.00

SYSTEM FEE SCHEDULE
(Note: The following do not include permit-issuance fees.)

New Residential Buildings:
The following fees shall include all wiring and electrical equipment in or on each building, or other electrical equipment on the same premises constructed at the same time.
For new multifamily residential buildings (apartments and condominiums) having three (3) or more living units not including garages, carports, and other noncommercial automobile storage areas constructed at the same time, per square foot, $.10

For garages, carports, and other accessory buildings, used in conjunction with multifamily residential buildings use BRANCH CIRCUIT FEE OR UNIT FEE SCHEDULE.

For new single or two-family residential buildings not including garages, carports and other minor accessory buildings constructed at the same time, per square foot, $.11

For garages, carports and other minor accessory buildings constructed at the same time as single or two-family residential buildings, a fee will not be required. For other types of residential occupancies and alterations, additions and modifications to existing residential buildings, use BRANCH CIRCUIT FEE OR UNIT FEE SCHEDULE.

PRIVATE SWIMMING POOLS:

For new private, residential, in ground swimming pools for single or multi-family occupancies, including a complete system of necessary branch circuit wiring, bonding, grounding, underwater lighting, water pumping and other similar electrical equipment directly related to the operation of a swimming pool, each, $75.20

Carnivals, circuses or other traveling shows or exhibitions utilizing transportable-type rides, booths, displays and attractions:

For electric generators and electrically driven rides, each, $37.10

For mechanically driven rides and walk-through attractions or displays having electric lighting, each, $15.40

For a system of area and booth lighting, each, $15.40

For permanently installed rides, booths, displays and attractions, use UNIT FEE SCHEDULE.

TEMPORARY POWER SERVICE:
SCHEDULE C
BUILDING AND SAFETY FEES
EFFECTIVE JULY 1, 2015

For a temporary service power pole or pedestal, including all pole or pedestal mounted receptacle outlets and appurtenances, each, $41.80

For a temporary distribution system and temporary lighting and receptacle outlets for construction sites, decorative lighting, Christmas tree sales lots, fireworks stands, sales booths, additional pole, etc., each, $20.70

BRANCH CIRCUIT AND UNIT FEE SCHEDULES
(Note: 1. The following do not include permit issuance fees.
2. Where appropriate either fee schedule may be used.)

Branch Circuit Fees (Alternate to Unit Fees):

Branch circuit fees apply to new branch circuit wiring and the lighting fixtures, switches and receptacles, which are supplied by these branch circuits, including their outlets.

For 15 or 20 ampere 120 volt lighting or general use receptacles:

First 10 branch circuits, each, $16.80

Each additional branch circuit from 11 to 40 inclusive, $13.80

Each additional branch circuit over 40, $13.80

For 15 or 20 ampere 208 volt to 277 volt lighting, each, $26.20

EXCEPTION. An individual multi wire branch circuit supplying one appliance may be counted as one circuit.

Unit Fees (Alternate to Branch Circuit Fees):

Receptacle, Switch, Lighting, or other:

For receptacle, switch, lighting, or other outlets at which current is used or controlled, except services, feeders and meters:
First 20, each, $2.30
Additional outlets, each, $1.40
(Note: For multi-outlet assemblies, each five feet or fraction thereof may be considered as one outlet.)

Lighting Fixtures:

For lighting fixtures, sockets, or other lamp-holding devices:
First 20, each, $2.30
Additional fixtures, each, $1.40
For pole or platform mounted lighting fixtures, each, $2.50
For theatrical-type lighting fixtures or assemblies, each, $2.50

RESIDENTIAL APPLIANCES OF THREE HORSEPOWER OR LESS:
For fixed residential appliances or receptacle outlets for same, including wall-mounted electric ovens, counter mounted cooking tops, electric ranges, self-contained room, console, or through-wall air conditioners, space heaters, food-waste grinders, dishwashers, washing machines, water heaters, clothes dryers, or other motor-operated appliances, not exceeding three (3) horsepower (HP) in rating, each, $10.40 (Note: For other types of air conditioners and other motor-driven appliances having larger electrical ratings, see Power Apparatus.)

OTHER APPLIANCES OF THREE HORSEPOWER OR LESS:
For any appliance installed in a nonresidential occupancy and not exceeding three (3) horsepower (HP), kilowatts (KW), or kilovolt-ampere (KVA) in rating, including medical and dental devices, food, beverage, and ice cream cabinets, illuminated showcases, drinking fountains, vending machines, laundry machines, or other similar types of equipment, each, $14.60 (Note: 1. As used in the above sentence, “nonresidential occupancy” includes but is not limited to hotels and motels but excludes apartments and single-family dwellings. 2. For other types of air conditioners and other motor driven appliances having larger electrical ratings, see Power Apparatus.)

POWER APPARATUS:
For motors, generators, transformers, rectifiers, synchronous converters, capacitors, industrial heating, air conditioners and heat pumps, cooking or baking equipment, and other apparatus with a rating as follows:
Rating in horsepower (HP), kilowatts (KW), kilovolt-ampere reactive (K-VA), or kilovolt-ampere-reactive (K-VAR):
Rating over 3 and not over 10, each, $19.00
Rating over 10 and not over 50, each, $44.00
Rating over 50 and not over 100, each, $82.50
Rating over 100, each, $135.80
(Note: 1. For equipment or appliances having more than one motor, transformer, heater, etc., the sum of the combined ratings may be used. 2.
SCHEDULE C
BUILDING AND SAFETY FEES
EFFECTIVE JULY 1, 2015

These fees include all switches, circuit breakers, contractors, thermostats, relays and other directly related control equipment.

BUSWAYS:
For cable trays, trolley and plug-in type busways, each 100 feet or fraction thereof, $25.10
(Note: An additional fee will be required for lighting fixtures, motors and other appliances that are connected to trolley and plug-in type busways. No fee is required for portable tools.)

SIGNS, OUTLINE LIGHTING, AND MARQUEES:
For signs, outline lighting systems, or marquees supplied from one branch circuit, each, $37.10
For additional branch circuits within the same sign, outline lighting system, or marquee, each, $12.30

SERVICES, SWITCHBOARDS, SWITCHBOARD SECTIONS, MOTOR-CONTROL CENTERS AND PANELBOARDS:
For services, switchboards, switchboard sections, motor control centers and panelboards of 600 volts or less and not over 399 amperes in rating, each, $37.10
For services, switchboards, switchboard sections, motor control centers and panelboards of 600 volts or less and over 399 amperes to 1,000 amperes in rating, each, $72.80
For services, switchboards, switchboard sections, motor control centers and panelboards over 600 volts or over 1,000 amperes in ratings, each, $155.50
Miscellaneous Apparatus, Conduits and Conductors:
For electrical apparatus, conduits and conductors for which a permit is required but for which no fee is herein set forth, $62.40
(Note: This fee is not applicable when a fee is paid for one or more services, outlets, fixtures, appliances, power apparatus, busways, signs or other equipment.)
SCHEDULE C
BUILDING AND SAFETY FEES
EFFECTIVE JULY 1, 2015

OTHER INSPECTIONS:
For each extra inspection resulting from defective workmanship or materials, each, $94.10
For inspection of electrical equipment for which no fee is herein set forth and for emergency inspections for the time consumed:
For the first 1/2 hour, or fraction thereof, $46.50
Or, for each hour, or fraction thereof, $93.80
For any single hazardous location area, as defined in Article 100 of the National Electrical Code, larger than 2,000 sq. ft. or an aggregate area consisting of smaller hazardous location areas totaling over 2,000 sq. ft., a surcharge in addition to any other applicable fees, each, $209.30
For investigation and review of test reports from local testing laboratories, or to comply with the requirements of Section 83-3, alternate materials and methods: Reports for one (1) to ten (10) electrical items, apparatus, machine tools, appliances or other electrical equipment, $241.90
For eleven (11) to twenty (20) items, $483.40
For twenty-one (21) to fifty (50) items, $725.00
For more than fifty (50) items, $805.30
For high-voltage switchgear, transformers or substations, each, $483.40
For investigation of alternate materials and methods performed by the Chief Electrical Inspector, as required by Section 83-3 of the Palmdale Electrical Code:
For the initial filing fee, $209.30
For each hour or fraction thereof, in excess of two, $104.80

In addition to the aforementioned fees, the Electrical Official may require additional charges for plan check services beyond the initial and second check when such additional work is due to changes, omissions or errors on the part of the plan check applicant. Fees shall be $104.80 per hour. The payment of said fees shall not exempt any person from compliance with other provisions of this code.

Electrical Plan Check Fees.
Plans are required to be submitted for any of the work described below. A plan checking fees shall be paid when the plans are submitted for review. With respect to the work described below wiring shall not be installed, nor any other work for which a permit is required shall be done, until the plans
have been approved. Only after the plans have been approved may the applicant apply for an electrical permit for such work. Plans are required for the following:

1. An installation where one or more services, switchboards, motor control centers or feeders have a rating of 400 amperes or larger at 600 volts or less;
2. Any installations rated above 600 volts;
3. Theaters or motion picture theaters;
4. Assembly rooms or similar places having an assemblage or seating capacity exceeding 500 persons;
5. A hospital or other health care facility falling within the scope of Article 517 of the Electrical code;
6. Installations in locations classed as hazardous locations by the provisions of Chapter 5 of the Electrical code;
7. Installation of lighting fixtures weighing more than 300 pounds;
8. Tenant improvement installations requiring review to verify compliance with the State’s Electrical Energy Conservation requirements (Title 24).

This energy plan check is in addition to the plan check required above.

The fee for each plan check pursuant to subsection above shall be equal to seventy percent (70%) of the required permit fee, however, the minimum fee shall be $104.80

Maintenance Electrician Registration Fee $187.60

D. Plumbing Permit and Plan Check fees.

Plumbing Sewer and private sewage disposal permit fees shall be paid as follows. For the purpose of this section, a sanitary plumbing outlet on which or to which a plumbing fixture or appliance may be set or attached shall be construed to be a fixture. Built-in dishwashers shall be construed fixtures whether individually trapped or not. Fees for reconnection and retest of existing plumbing systems in relocated buildings shall be based on the number of plumbing fixtures, gas systems, water heaters, etc., involved. When interceptor traps or house trailer site traps are installed at the same time as a house sewer on any lot, no sewer permit shall be required for the connection of any such trap to an appropriate inlet fitting provided in the house sewer by the permittee constructing such sewer. When a permit has been obtained to connect an existing building or existing work to the public sewer, or to connect to a new private disposal facility,
backfilling of private sewage disposal facilities abandoned consequent to such connection is included in the house sewer permit.

Plumbing permit fees shall be as follows:

For issuing each permit, $32.00

In addition:

For each plumbing fixture or trap or set of fixtures on one trap (including drainage, vent, water piping and backflow prevention devices therefore) (hose bibbs are considered fixtures), $15.50

For each permanent-type dishwasher, whether individually trapped or not, $15.50

For future stacks or branches, each waste inlet, $15.50

For each roof drain, $15.50

For each drainage or sewer backwater valve, $44.90

For each industrial waste pretreatment interceptor, including its trap and vent, excepting kitchen-type grease interceptors functioning as fixture traps, $15.50

For each swimming pool drainage trap and receptor, whether connected to a building drain or a building sewer (water supply for pool not included), $15.50

For each gas piping system on any one meter or alteration, extension or retest of existing gas piping system:

Low pressure system:

Five or fewer outlets, $15.50

For each additional outlet over five, $3.90

Medium or high pressure system:
Each system, $15.50
Additional fee for each outlet, $3.90
For each gas meter not under control and maintenance of the serving gas supplier, $15.50
For each gas pressure regulator other than appliance regulators, $15.50
For each water heater and/or vent, $15.50
For repair or alteration of drainage and/or vent piping, each fixture, $15.50
For each piece of water-treating equipment, $15.50
For each water pressure regulator, $15.50
For potable water not covered elsewhere in fee schedule:
1-1/2 inch and smaller, $15.50
2 inches to 3 inches, $48.40
Over three inches, $104.80
For replacing water piping in a building, (1) each fixture, each water-treating device and each piece of water-using or dispensing equipment, or (2) each branch or riser that has none of the above items connected thereto, $6.40
For sprinkling systems on any one meter, each backflow prevention device therefore, $15.50
For each backflow prevention device on unprotected water supplies, pools, tanks, vats, etc. (including incidental water piping), $15.50
For each trap primer, $15.50
For each solar potable water-heating system, including water heater and vent, $51.90
SCHEDULE C
BUILDING AND SAFETY FEES
EFFECTIVE JULY 1, 2015

For the connection of a house sewer to a public sewer, or for the extension of a house lateral onto a lot for future use (separate permit required for each such connection or extension), $44.90

For each house sewer manhole, $44.90

For each installation of a section of house sewer for future use, $29.00

For the connection of each additional building or additional work to a house sewer, $29.00

For the connection of a house sewer to a private sewage disposal system, $29.00

For each private sewage disposal system (septic tank and seepage pit or pits and/or drain field), $91.90

For each grey water system (storage tanks and disposal/irrigation fields), $91.90

For each cesspool, overflow seepage pit, percolation test pit, swimming pool drywell, or drain field extension or replacement, $44.90

For disconnection, abandonment, alteration or repair of any house sewer or private sewage disposal system or part thereof, $29.00

A plumbing plan checking fee as indicated shall be paid to the Plumbing Official at the time of submitting plans and specifications for work described in this subsection.

Said fee shall be equal to 40 percent of the required plumbing permit.

1. More than 216 waste fixture units;
2. Potable water supply piping required to be 2" or larger; or
3. Fuel gas piping required to be 2" or larger or containing medium or high pressure gas.

If any of the following systems is included in the work proposed, a surcharge shall be collected for each of these systems as follows:

1. Combination waste and vent system, $161.20

16
SCHEDULE C
BUILDING AND SAFETY FEES
EFFECTIVE JULY 1, 2015

2. Gas system containing an earthquake actuated shutoff valve, $56.20
3. Chemical waste system, $32.40
4. Rainwater system, $104.80

The minimum plan-checking fee (including all surcharges) shall be $104.80 per hour.

103.11.2

For plan checking individual systems not required to be reviewed under subsection 103.11.1 above:

1. Combination waste and vent system, $242.40
2. Gas system containing an earthquake actuated shutoff valve, $80.10
3. Chemical waste system, $48.40
4. Rainwater system, $161.20
5. Grey Water system, $91.90

Exception: Plan check is not required for an earthquake actuated gas shut-off valve if the valve has a pressure loss through it of less than 10 feet of equivalent length of pipe in the line that it is installed.

In addition to the aforementioned fees, the Building Official may require additional charges for plan check services beyond the initial and second check when such additional work is due to changes, omissions or errors on the part of the plan check applicant.

Fees shall be $104.80 per hour. The payment of said fees shall not exempt any person from compliance with other provisions of this PPC.

E. Mechanical Permit and Plan Check fees.

Permits required by this PMC shall, at the time of filing an application therefore, pay a fee as required by this section.

1. For the issuance of each permit, $32.00
2. For the installation, alteration or relocation of each refrigeration compressor or absorption unit, and for each fuel-burning furnace, heater, boiler, and vented decorative appliance including vents attached thereto:
   Up to and including 100,000 Btu, $25.90
   More than 100,000 Btu up to and including 500,000 Btu, $50.30
   More than 500,000 Btu, $125.20
3. For each air inlet and air outlet served by any air conditioning system $4.20
   Or, when the number of air inlets and outlets is unknown, for each 1,000 square feet or fraction thereof of conditioned area, $35.30
   (NOTE: An air-conditioning system includes heating and/or cooling.)
4. For the installation, relocation or replacement of each appliance vent installed and not included in any appliance permit, $12.30
5. For the installation or alteration of each air-handling unit for air conditioning, including ducts attached thereto:
   Up to and including 2,000 cfm:
   Each unit up to 10, $12.30
   Each unit over 10, $3.80
   More than 2,000 cfm to and including 10,000 cfm, $37.10
   More than 10,000 cfm, $62.50
   (NOTE: This fee shall not apply to an air-handling unit which is a portion of a factory-assembled air-conditioning appliance for which a permit is required elsewhere in this PMC.
6. For each evaporative cooler other than portable type, $20.90
7. For ventilation fans which serve a single register:
   Each fan up to 10, $15.10
   Each fan over 10, $5.30
8. For each ventilation system that is not a portion of any air-conditioning system for which a permit is required elsewhere in this PMC, $32.70
For the installation of each commercial kitchen hood, or spray booth or product-conveying duct system, served by mechanical exhaust, including the fans and ducts attached thereto, $62.50

1. For the installation of each fire damper, $10.20

2. For the alteration of an existing duct system for which a permit is not required elsewhere in this PMC, $25.90

Mechanical Plan Check Fees.

1. Installations where the aggregate Btu input capacity for either comfort heating or comfort cooling is more than 500,000 Btu. Plans shall detail all the mechanical systems, including comfort heating systems, comfort cooling systems, refrigeration systems and ventilation systems and hoods.

2. Installations of the following individual systems:

(i) Food processing establishment containing a commercial-type I or II hood;

(ii) Garage ventilation systems installed in compliance with the provisions of the Palmdale Building Code;

(iii) Stair pressurization systems installed in compliance with the provisions of the Palmdale Building Code;

(iv) Product conveying duct systems installed in compliance with Chapter 5 of this PMC;

(v) Tenant improvement installations requiring review to verify compliance with the State’s Energy Regulations. When a building permit is not required for that work the plan check fee shall be $27.30/1000 square feet of conditioned space; provided however, the minimum fee shall be $53.00.

Direct-fired gas makeup and industrial air heaters.

The installer shall submit plans showing the proposed installation, indicating the location of the heater and such accessories as may be required to ensure the proper and safe performance of its function.

A plan-checking fee shall be paid to the Mechanical Official at the time of submitting the plans and specifications. Said fee shall be:
The fee shall be equal to 50 percent of the required mechanical permit fee as set forth in the PMC.

EXCEPTION: Identical appliances of 100,000 Btu or less, installed in a single building:

Up to and including 10, 50 percent of permit fee

For each appliance over 10, an additional 5 percent of its permit fee

If any of the following systems is included in the work proposed, a surcharge shall be collected for each of these systems as follows:

(i) Food processing establishments containing a commercial type I or II hood, $161.10

(ii) Garage ventilation systems installed in compliance with the provisions of Title 26 of the Palmdale City code, $161.10

(iii) Stair pressurization systems installed in compliance with the provisions of Title 26 of the Palmdale City code, $161.10

(iv) Product conveying systems installed in compliance with Chapter 5 of this PMC, $161.10

The minimum plan checking fee shall be $104.80

In addition to the aforementioned fees, the Mechanical official may require additional charges at the rate of $104.80 per hour for plan check services beyond the initial and second check when such additional work is due to changes, omissions or errors on the part of the plan check applicant. The payment of said charges shall not exempt any person from compliance with other provisions of the PMC.
