2. **1-1 COUNT: ALL MEN'S LEAGUES WILL BEGIN WITH A 1-1 COUNT.**
3. Time limit per game will be seven (7) innings or one hour and ten minutes. No new inning may be started after the time limit has expired.
4. Forfeit time will be ten (10) minutes from the scheduled game time. Failure of a team to appear with eight (8) rostered players or if a team fails to pay the official's fee will constitute forfeiture of the game. If the grace period is used, the time will come off your game time. Game must start if eight (8) players are present. **Any team that forfeits a game during the course of the season will be required to pay a \$22 forfeiture fee (\$11 each for forfeiting team and opposing team). Payment must be in cash and paid within three business days at the Recreation and Culture office. Failure to do so will result in removal of team from the league with no refund of team fees. Double forfeits: each team will be required to pay \$11 cash within three business days at the Recreation and Culture office. Failure to do so will result in removal of team from the league with no refund of team fees.**

Possible Exemption: Managers that notify the Sports Division office staff of their team forfeiting within a reasonable amount of time for the Sports Division to notify staff, opposing team and the officials could be exempt from paying the forfeiture fee. Text and/or voicemail messages are **not** a valid form of communication for notifying the Sports Division office staff.

Other reasons where games may be forfeited:

- A. Failure on the part of any player to abide by the umpire's decisions.
  - B. Team playing an ineligible player.
  - C. Umpire feels that the game is not controllable due to both teams or individual players fighting. Game will be declared a double forfeit.
5. No in-field practice will be allowed, however, teams may use the side areas to warm up.
  6. Recreation and Culture will provide two new game balls per game. Teams are responsible for retrieving home run balls.
  7. No metal cleats are allowed.

8. When a ball goes out of play, the other ball must be used until it goes out of play.
9. Pitching: The pitcher must arc the ball higher than the batter's head. **The maximum arc is 16'.**

The pitcher may deliver the pitch from any point inside the Pitcher's Box, and for the purpose of rule-enforcement, the Pitcher's box is treated the same as the pitching rubber (Rule 1, Sec. 22).
10. Any player who has been suspended from a ball game shall not be permitted in the dugout or on the field.

Any player ejected from a game, for ANY reason will not be permitted to play in his team's next game. If the player is a "player/manager," he will not be permitted to play or manage the remainder of the game. He will also not be allowed to play or manage in his team's next game. Managers/Players can be asked to leave the park premises by the game official or park personnel if deemed necessary.

Players are allowed to play on different nights of the week within the City of Palmdale Recreation and Culture department adult softball league. Players are not allowed to play on two teams during the same night. If a team is found to be playing with an illegal player, that team will automatically forfeit their game. Managers/Assistant Managers found to be using an illegal player(s) would be suspended for a minimum of two (2) games. Player(s) found playing on a team in which they are not on the roster would be suspended for a minimum of two (2) games.

11. Smoking is prohibited at all city parks including the Best Of The West Softball Complex.
12. Alcoholic Beverages:

The possession or consumption of alcoholic beverages by members of your organization on the park facilities (ball diamond, buildings, parking lots, etc.) is strictly prohibited. Managers are encouraged to enforce this rule. Any team, player or manager caught with an alcoholic beverage in his or her possession before, during or after their team's scheduled game will incur the following penalty:

**First offense: Manager and team will be issued a warning.**

Players or managers arriving after the start of the game **must** sign the line-up sheet before entering the field of play. Players arriving after the first pitch of the game may be added to the end of the batting order immediately upon arriving or must be used as a regular substitute. Teams are allowed to bat up to sixteen (16) players.
14. In order for a protest to be valid, the following steps must be taken:

- A . The manager or acting manager of the protesting team shall immediately notify the umpire that the game is being conducted under protest. The umpire shall in turn notify the opposing manager and the official scorekeeper.
  - B . If the game is protested due to illegal players, the protest will automatically be granted if the team under protest does not have everyone who has played print their name and sign the line-up sheet. Managers have until 5:00 p.m. the next workday to file a protest for an illegal player(s). Managers playing on Friday and/or Sunday nights have until 5:00 p.m. Monday to file a protest for an illegal player(s). When protesting an illegal player(s), the manager for the protesting team must provide the questioned player(s) name(s) and spot(s) in the opposition's batting order. Protests that fail to provide the required information will not be considered. Protesting an entire roster will also not be considered.

18. A team must have eight (8) players present to start or continue a game.
19. Tie Breaker: One extra inning only will be played if time expires and the game is tied. There will be one extra inning only played at that time even if all seven (7) innings have not been completed. If the tie remains unbroken each team will receive half a win and half a loss.
20. Courtesy Runner: There is no limit to the number of courtesy runners allowed in an inning, however, a player may be a courtesy runner only once per inning.
- The manager may select any player to be the courtesy runner, provided that:
- 1. Said player is not currently a base runner.
  - 2. Said player is not the current batter.
  - 3. Said player has not already been a courtesy runner in the current inning.
- If a courtesy runner is on base when it is his/her turn to bat, an additional out will be awarded to the defensive team. A courtesy runner cannot be requested for a courtesy runner. The courtesy runner is allowed to remain on-base (unless there are three outs), and the correct batter is now the player whose name follows that of the batter called out.
21. Age Requirement: All players participating in the adult sports program must be at least 16 years of age. All players who are 16 or 17 years of age must have a liability/release

Manager's have until 5:00 p.m. on their scheduled game day to call in with their request.
23. **Illegal Bats:** Penalty for use of illegal bat is batter declared out, ball declared dead, batter ejected from the game and the illegal bat removed from the game.  
  
Note: When the batter takes his/her place in the batter's box, with either foot, the above penalty will be enforced.  
  
Note: If the illegal bat is discovered after a ball is batted, nullify any advance of base runners as the result of the batted ball.
24. **Verbal Threats** will not be tolerated. If any player or manager makes a verbal threat in any manner, the umpire has the authority to immediately eject that person from the game.
25. In the event of inclement weather, the Sports Division will make a judgment on the playability of the softball fields by 4:00 p.m. of game day. If you do not receive a phone call from the Sports Division, consider your game to be as scheduled. The Sports Division will only inform team managers when games have been cancelled due to weather.
26. Team names will be reviewed by League Director. Team names that reference sexual content, gender specific body parts, alcohol, drugs or foul language will not be permitted.
27. Rules are subject to change, when deemed necessary by the League Director. The League Director reserves the right to reclassify teams and determine eligibility of players. For further information or clarification, please contact the Sports Department at 267-5611.
