Business & Multifamily Waste and Recycling Service Guide

Proud to Serve Palmdale

Waste Management and the City of Palmdale are proud to present you with this service guide to your waste and recycling service. Services and rates are effective July 1, 2021.

Service Overview

Recycling Collection

In accordance with Assembly Bill 341, California's Mandatory Commercial Recycling law, businesses that generate at least 4 cubic yards of solid waste, or multifamily properties with five or more units, must participate in a recycling program by subscribing to recycling services or self-hauling recyclables to an approved facility.

To assist businesses and multifamily properties in complying with AB 341, Waste Management is proud to offer commercial recycling services for Palmdale businesses and multifamily complexes at a reduced rate. Containers are available in a variety of sizes, including 96 gallon carts and 1.5, 3 and 6 cubic yard dumpsters. Roll-off containers and compactor service are also available. To get started, contact Customer Service to schedule a site visit with a Recycling Coordinator.

Organic Waste Collection

In accordance with Assembly Bill 1826, California's Mandatory Commercial Organics Recycling law, businesses will need to participate in a program to divert their organic waste (food, food-soiled paper and green waste). Multifamily properties with five or more units will need to divert their green waste by subscribing to recycling services or self-hauling to an approved facility.

To assist businesses and multifamily properties in complying with AB 1826, Waste Management is proud to offer organic waste recycling services to meet your needs. To get started, contact Customer Service to schedule a site visit with a Recycling Coordinator.

Trash Collection

Regardless of the size of your business or multifamily property, we can create a customized collection program that meets your needs and protects the environment. Trash containers are available in a variety of sizes, including 96 gallon carts and 1.5, 3 and 6 cubic yard dumpsters. Roll-off containers and compactor service are also available.

Holiday Schedule

Waste collection does not occur on the following holidays:

New Year's Day

Memorial Day

Independence Day

Labor Day

Thanksgiving Day

Christmas Day

When a holiday falls on a weekday, your collection will be delayed by one day for the remainder of the week. If a holiday falls on Saturday or Sunday, there will be no delay in service.

Additional Business & Multifamily Services

On-Site Document Destruction

To assist businesses with securely recycling sensitive documents, such as invoices or records, Waste Management has partnered with Shreds Unlimited to offer on-site document destruction services. If you are interested in this service, contact Commercial Recycling Manager, Ashley Cortes, at (661) 233-1843 or acortes1@wm.com for more information.

Multifamily Bulky Item Collection

Waste Management is proud to offer bulky item collection to multifamily residential properties, such as apartments, condos and townhomes, as follows:

Multifamily properties with cart service - Customers are entitled to four bulky item pickups, of no more than four items each, per year at no additional charge. Additional pickups or additional items per pickup, can be arranged for a nominal charge. Please contact Customer Service at least 48 hours in advance of your regular service day to schedule a pickup.

Multifamily properties with bin (dumpster) service - Customers are entitled to one (1) pickup per dwelling unit in the complex, or building, per year at no additional charge. Each pickup may have up to four (4) items each. Additional pickups or additional items per pickup, can be arranged for a nominal charge. Please contact Customer Service at least 48 hours in advance of your regular service day to schedule a pickup.

Acceptable Bulky Items — furniture, appliances, electronic waste, tree branches, clothing and scrap wood.

Unacceptable Bulky Items — household hazardous waste (such as paint, oil and batteries), spas, pianos, camper shells, items requiring more than two persons to safely handle.
