When your child gets sick or injured, you want care you can trust close to home. That’s why Antelope Valley Hospital has a pediatric unit and an emergency department approved for pediatrics. We understand the unique needs of children and strive to help them get back on their feet to do what they do best: play.

Quality PEDIATRIC Care. Right Here.
Dear Resident,

The speed in which winter has turned to spring, and spring to summer is an indication of just how fast things are going around here in Palmdale.

It’s hard to keep up with everything that’s going on, but we’re ready and excited about what’s happening in our City. Our crime rate is now the lowest it’s been in decades. Projects such as the Amargosa Creek recharge and 14 Freeway widening are going full speed ahead. We’re preparing to do a complete rebuild of Pearblossom Highway and major improvements on Avenue R. We’ll be creating a new General Plan — with your help — which will set the stage for the next 20 years. And we’ll be launching a new, friendlier and customizable website very soon.

But it’s not all work and no fun in Palmdale. This summer is off the charts when it comes to quality entertainment and variety. DryTown is now in its 14th year providing cool fun and a host of special evening events. Our fireworks show, summer concerts and Family Movie Nights will delight tens of thousands of residents. Music in the Parks will provide free entertainment at Poncitlán Square and Domenic Massari Park for eight weeks. Twilight Tours of Joe Davies Airpark will continue, while our annual National Night Out, a community favorite, will be bigger and better than ever.

I encourage you to stay connected with us by following our Facebook page, City of Palmdale-Government and subscribing to Palmdale Connections (see page 9) so you can keep up with all that is going on in your City. Things are happening all the time, and you’ll be the first to know when you stay connected.

See you out and about this summer!

Sincerely,

James Purtee
City Manager
Pearblossom Highway to Get Complete Redo

Travelers on Pearblossom Highway will be the major beneficiaries of a complete rebuild of the roadway that will begin later this summer.

After suffering damage from heavy use by large trucks and traffic in general, the new roadwork will cover approximately three miles, from 25th St. East to 55th St. East. It will be completely torn out and rebuilt, making it stronger and better than before, with an expected lifespan of 40 years. Additionally, a median barrier will be installed approximately ¼ mile west of 30th St. East to 200’ east of 25th St. East/Barrel Springs Rd., with K-Rail barrier placed on the north side of Pearblossom Highway near Barrel Springs Elementary School.

The project will be done in three sections, with detours and partial to full closures expected. It will cost $9.8 million and is being funded through tax revenues from Measures M and R, gas taxes and a federal grant of $200,000 for the design. Los Angeles County is providing funding for the stretch of road under its jurisdiction.

Information and updates will be available on the City’s website, www.CityofPalmdale.org, and Facebook page, City of Palmdale-Government.

Ave. R Improvement Project Underway

The Avenue R Complete Streets Project, which will provide street improvements on Ave. R from Sierra Highway to 25th St. East, is now underway.

The City is currently working with property owners and businesses by assisting with costs for relocation and rental assistance.

“Residents will soon start to see properties fenced off and structures being removed,” said Public Works Director Chuck Heffernan.

The project will include creating two lanes each direction, adding a two-way left turn center median, developing ladder-style crosswalks to increase visibility, adding Class II bike lanes and more.

The City will use Measure M funds to cover a portion of the overall construction costs, estimated to be $5.6 million, with remaining construction funds expected to be offered by the State of California.
Crime Rate Drops Again in Palmdale

2018 Crime Rate Finishes at a Decades Low 192

The City of Palmdale and Los Angeles County Sheriff’s Department (LASD) Palmdale Station have announced a 9.35% decrease in the number of Part I crimes reported for all of 2018 resulting in a crime rate of 192 crimes per 10,000 population for the year. It marks the lowest crime rate in Palmdale in nearly a quarter of a century.

After the crime rate reached 467.71 in 1996, the City set a goal to push the crime rate below 300 by 2009, which was successful. The goal was reset to drive the rate below 200, and was accomplished in 2018.

“The continued efforts of our community policing, which combine the skills, talents and contributions of our deputies, City staff, and community members working together, are making our community safer,” said Palmdale Sheriff’s Station Captain Ron Shaffer. “We continue to receive and appreciate the support of our local elected officials.”

“Our City Council continues to make public safety their top priority,” said Palmdale City Manager Jim Purtee. “It’s reflected in our annual budget and a myriad of community partnerships. We’re seeing the fruits of our efforts and programs through measurable results in the field. We have a lot more work to do, but we are working hard to make sure our residents and business owners feel and know they are living and working in a safe community.”

Partnerships are Key

Partnership with the community has had a positive impact on bringing crime down. “Our Neighborhood Watch program has brought neighbors, City staff and law enforcement together to help keep crime out of our neighborhoods,” said Palmdale Public Safety Supervisor Kery German. “There have been many instances where observant neighbors have helped solve or prevent crimes through ‘seeing something and saying something.’”

In addition, the City’s Crime Free Multifamily program, which focuses on apartments and multifamily dwellings, added several new properties, with a common goal to keep them safe and viable for residents.

“All in all, a huge ‘thank you’ goes to our dedicated deputies, our community members and our community partners who continue to come together as a team and work hard for our community,” said Director of Neighborhood Services Mike Miller.
Envision

PALMDALE 2045

What is a General Plan?
The General Plan serves as the City’s primary guide for land use and development decisions and is a key tool for influencing and improving the quality of life for residents and businesses. As such, it serves as the “blueprint” for future development and conservation of a community. The General Plan will help the City plan for important community issues such as new growth, housing needs and environmental protection and sets the stage for future social, physical and economic development of the City. It addresses issues that impact the entire City, such as how land is used, where buildings are constructed, and the locations of roads and parks.

Palmdale General Plan Overview
The City of Palmdale is undertaking a comprehensive update to its General Plan for the first time in more than 25 years. Now is the time to look forward to the next several decades and chart a course for the City’s future, including:
- Creating a vision for growth and development and improving the overall identity and quality of life in Palmdale;
- Ensuring equitable distribution of services, goods and amenities in the City;
- Capitalizing on major infrastructure investments such as High-Speed Rail and the Airport;
- Addressing transportation challenges such as traffic congestion, the bicycle network and transit;
- Planning for natural emergencies including earthquakes and wildfires;
- Increasing opportunities for location of parks and open space areas;
- Expanding opportunities for the City to pursue grants and other funding sources for parks and infrastructure improvements.

What topics will the General Plan cover?
State law requires that each city in California adopt and maintain an “up-to-date” General Plan and address specific core topics. The Palmdale General Plan Update will cover these requirements but will also address additional elements that are important to the community. Topics will include land use; community design; mobility; housing; equity, resilient, and healthy communities; economic development; conservation and open space; parks and recreation; historic and cultural resources; public facilities and infrastructure; noise; air quality; sustainability; safety; military readiness; and implementation.

"The general plan is more than the legal underpinning for land use decisions; it is a vision about how a community will grow, reflecting community priorities and values while shaping the future." - OPR General Plan Guidelines (2017)

for more info
PALMDALE2045.ORG
What are the steps in the update process?

The General Plan update process will take approximately three years to complete, starting in Winter 2019 and ending in the Summer 2022. The major steps in the process are as follows:

- **Discovery**
  - Explore the City to identify issues + opportunities
  - Winter 2019 - Spring 2019

- **Visioning**
  - Develop a long-term vision + guiding principles
  - Summer 2019 - Fall 2019

- **Alternatives**
  - Create land use + transportation alternatives
  - Fall 2019 - Spring 2020

- **Policy Development**
  - Develop policy solutions to a range of topics
  - Summer 2020

- **Plan Development**
  - Draft the General Plan
  - Summer 2020 - Fall 2021

- **Review + Adopt**
  - Public + City decision-makers to review + adopt the General Plan
  - Fall 2021 - Fall 2022

Community Engagement: Get Involved and Let Your Voice Be Heard

The City of Palmdale is committed to involving the community and ensuring that the content of the Palmdale General Plan will be guided by the residents of the City. The project presents a unique and important opportunity for community members to participate and share their ideas to guide the City’s future. As such, engaging a diverse cross section of the community throughout the project will be critical to success. There will be many opportunities for community members to participate in the General Plan update process. These activities include:

1. Focus groups
2. Meetings with community groups
3. Online surveys
4. Community workshops
5. Community Forums
6. A General Plan Advisory Committee (GPAC)
7. Planning Commission study sessions
8. City Council study sessions
9. An interactive project website
10. Community pop-up events

How do I find out more about the General Plan and stay informed?

- Visit the project website at [Palmdale2045.org](https://Palmdale2045.org)
- Sign up for the email list on the project website
- Contact the City’s project manager, Senior Planner Carlene Saxton at generalplan@cityofpalmdale.org.

Take the General Plan survey at Palmdale2045.org
City Council Authorizes Palmdale CCA Program

On March 19, 2019, Palmdale City Council adopted a resolution authorizing an interfund loan to fund the formation of a Community Choice Aggregation (CCA) Program, and authorized staff to work with California Choice Energy Authority (CalChoice) consultants to file all the necessary documents for the formation of a CCA.

A CCA is an alternative to the investor-owned utility company (IOU) where the CCA purchases power on behalf of its residents and other constituents. Currently, CCAs are only possible in Massachusetts, Ohio, Illinois, New Jersey, New York, Rhode Island and California. In California there are 19 existing or potential CCAs including but not limited to Marin Clean Energy in Marin, Clean Power Alliance in Los Angeles County, and Lancaster Choice Energy.

On April 2, 2019, Council passed an ordinance and adopted a resolution to allow the City to form a CCA through Lancaster Choice Energy. The consulting services are provided by CalChoice and the City expects to begin servicing residential customers in September 2020.

Residents of the City of Palmdale are automatically opted in per federal regulations, but they have the option to revert back to Southern California Edison (SCE) service at no cost to them during the two months before and the two months after service begins. Residents should not notice a transition in service. SCE will continue to deliver the energy, and continue to bill customers for service. However, once the program is implemented, the energy will be procured by the City of Palmdale and rates will be set by the Palmdale City Council.

New Website Coming Soon

Easier to use. Friendlier. And completely customizable. These are just some of the many new improvements that you’ll soon see on the City’s newly refreshed website, www.CityofPalmdale.org.

Completely revamped with the user’s needs in mind, website visitors will be able to create a personalized account to see the information that’s important to them. An easy-to-use calendar, helpful links and a conveniently located search bar are just a few of the new features that will be available.
Rebates Offered for Converting Front Yards to Waterwise Landscapes

Palmdale Water District (PWD) is offering residential property owners who are its customers cash rebates to remove any grass and/or convert their front yards to waterwise, drought friendly xeriscape landscapes.

The 2019 Waterwise Landscape Conversion Program (WWLCP) allows for a maximum of $2,000 per qualifying residence. The standard rebate offers $1.50 per square foot up to $1,500 per household. An additional 50 cents per square foot, up to $500, per household may be awarded for projects that are completed within 45 days.

The WWLCP was formerly known as Cash for Grass, which started in the early 2010s. The name was changed because the new rebate applies to more than just removing grass. It now includes converting yards that may not have grass on them.

Interested customers need to submit applications before starting any renovation. PWD pays the rebate only after a post-inspection verifies the program’s requirements have been met. No money will be paid in advance and all work is the responsibility of the applicant.

In 2018, 31 residences converted their front yards, removing a total of 43,761 square feet of grass, and received PWD rebates totaling more than $60,000. Program funding is limited, and applications are processed in the order they are received.

To apply for the WWLCP or for more information, visit palmdalewater.org, contact Linda Trevino at ltrevino@palmdalewater.org, or call 456-1001.

Streetlight Update

In February 2019, the City released a statement instructing residents to steer clear of streetlights citywide. To date staff and contract crews have inspected more than half of the lights throughout the City, and rendered all the lights safe.

In addition to the physical inspections, staff contracted with Power Survey Company which completed specialized inspections throughout the City, locating any areas that were an immediate cause for concern. These areas were addressed expeditiously, rendering the lights safe, and staff continues to physically inspect individual lights for issues.

Power Survey Company was started in 2006 and is based out of Secaucus, New Jersey. They began their work for the City in mid-February, and completed their inspections within four weeks. Staff is working diligently to complete the inspections of the remaining lights in the safest and most effective manner possible.

Power Survey donated their fee to a local charity as a goodwill gesture to the City of Palmdale for its quick response to this emergency.

e-Newsletters

Subscribe to one of the City’s e-Newsletters and you’ll have information emailed directly to you — information regarding job opportunities, events, public safety information, programs and more. It’s easy to do, just text PALMDALE to 22828.
Animal Care & Control
Conducting Field Compliance Checks

The Department of Animal Care and Control (DACC) will be canvassing in Palmdale over the next few months. The uniformed DACC officers involved in canvassing are all assigned to a special team that handles field licensing only; they do not work at our local shelters. Officers will be going door-to-door to make sure all dogs and cats four months of age and older are licensed and vaccinated. If they find animals that have not yet been licensed they will be able to process the license in the field or leave information at the door or with residents with instructions to register online, by mail or in person. Spay/neuter and microchipping of all dogs and cats four months of age or over is mandatory in the City of Palmdale. Fees and penalties are significantly reduced for animals that are in compliance. For more information visit www.CityofPalmdale.org.

Use of Fireworks in Palmdale

Only Safe and Sane fireworks are allowed in Palmdale city limits except for the designated No Fireworks Zone where even Safe and Sane are illegal. The No Fireworks Zone includes the Anaverde housing development and anywhere south of the California Aqueduct, as well as neighborhoods located on the south side of Rancho Vista Boulevard along the following lines: beginning at the intersection of Rancho Vista Boulevard and 30th Street West, areas south and west of Rancho Vista Boulevard, north to Avenue N-8; south and west of Avenue N-8 from Rancho Vista Boulevard to 55th Street West; west of 55th Street West; and south from 55th Street West to 60th Street West (Godde Hill Road).

If you are unsure whether you live in the No Fireworks Zone, you may visit www.CityofPalmdale.org, click on the Fireworks map link, and enter your address. You may also contact the City’s Code Enforcement office at 267-5234 or Public Safety at 267-5181 and staff will assist you.

Illegal fireworks are not allowed anywhere in Palmdale or the Antelope Valley. These are the type that explode or shoot up in the air, and they are dangerous and cause a real threat to life and property.

There are hefty fines for using illegal fireworks or using fireworks in No Fireworks Zones. These fines begin with a $2,500 fine for a first offense, $5,000 for a second offense and $10,000 for a third offense.

To report any illegal fireworks anonymously, please call the Sheriff’s Department at 272-2400.

Join Neighborhood Watch Today!

What’s free, takes less than two hours of your time, is a great way to meet your neighbors and increases the safety and security of your neighborhood? Neighborhood Watch! For more information about starting a group call Public Safety at 267-5170 or email crimeprevention@cityofpalmdale.org.
Fireworks Safety

Here are some important safety tips for residents who use Safe and Sane fireworks in legal areas of the City of Palmdale:

- Always read directions and use common sense.
- Have an adult present.
- Use outdoors only — away from buildings, vehicles, dry grass and other flammable objects.
- Light one at a time, then move quickly away.
- Keep others at a safe distance.
- Never point or throw fireworks at another person.
- Never alter or take apart fireworks.
- Do not give to young children under any circumstances.
- Have a bucket of water handy for emergencies and for dousing misfired and spent fireworks.
- Never attempt to relight or fix malfunctioning fireworks.

For Pets

- Shelters see a 30-60% increase in lost pets each year between July 4 and 6.
- Make sure your pets are microchipped and have a collar with your current contact information.
- Even pets that are usually kept outdoors should be brought inside. Try to drown out the fireworks sounds as much as possible by closing windows, playing music or turning on the TV.
- If you cannot leave your pet unattended at home, keep them leashed and under your direct control at all times.
- Ask your veterinarian for help for pets that are exceptionally scared by fireworks.

Grades 1-6: Afternoon program from 2:30 to 5 pm, Monday through Friday, 12 months a year. Character building, art, athletic activity, special guests, healthy snacks and more.

Adults: Zumba, citizenship, English, embellish your beauty, painting, healthy cooking, sewing, handcrafts, dance classes, parenting classes, support groups, special workshops, coffee & coloring and much more.

Families: Health and wellness, parent and child art groups, Parent Café, folklorico dance, art classes for kids and at-risk youth support groups.
Recognized by the American Public Works Association (APWA) as a "model practice" program, the Palmdale Partners Academy offers participants the opportunity to go ‘behind the curtain’ and learn what it takes to run a city. Now in its 13th year, the program presents insight into all City departments, their successes and challenges. Participants not only gain valuable knowledge about the City they call home, but also make new friends and connections.

**FALL 2019**
Tuesday evenings, Sept. 17–Oct. 29;
Culminating Dinner - Nov. 7.

To register visit Community Programs at www.CityofPalmdale.org
Registration closes Sept. 9.
Register Now for Youth Job Academy

The Palmdale Works! Youth Job Academy is accepting registrations for its summer and fall sessions. The Academy provides training on applying for and retaining a first job. Designed to help students navigate the dos and don’ts of the application and interview process, as well as review practices and behaviors that lead to success in the workplace, it is free and open to students ages 15-18. This is not a job placement program. Registration is required.

Register at: www.CityofPalmdale.org/youth

Summer Session: Tuesdays & Thursdays, July 9-25, 4-6 pm
Registration Closes: July 5

Fall Session: Mondays & Wednesday, Oct. 7-23, 4-6 pm
Registration Closes: Oct 1

Grant Awarded for Complete Streets Project

The City’s application to the Southern California Association of Governments (SCAG) Sustainable Communities Program for the Avenue Q from Sierra Highway and 20th Street East Complete Streets Project was recently approved by the SCAG Regional Council.

This $250,000 award will allow the City to develop multimodal connectivity from the east side of Sierra Highway to the existing Palmdale Transportation Center (PTC) and future high speed rail station. The project will also evaluate how to connect the High Desert Corridor bike plan, which ends at 20th St. East, down to Ave. Q and over to the PTC.

“We are in the midst of a transportation infrastructure explosion,” said Palmdale City Manager Jim Purtee.

Staff is currently working with SCAG to select a project consultant. The project is anticipated to take approximately 14 months.

Volunteer Spotlight

If you’ve stopped by Legacy Commons for a game of billiards or attended an Advisory Board meeting, chances are you’ve met Carlos Rodriquez. A staple at Legacy Commons, Carlos’ helpful nature and friendly attitude make him a welcoming presence to both newcomers and regular participants.

“Carlos can be counted on for a ready smile and a helping hand, making everyone’s day a little brighter,” said Recreation Coordinator Laura Rice.

Carlos is another example of the dedication and generosity that makes Palmdale a place to call home.

Are you a graduate of the Palmdale Partners Academy? If so, mark your calendar for the 2nd Annual Alumni Dinner on Thursday, Nov. 7. For details call 267-5473.
FREE YOUR RECYCLABLES.
No plastic bags. Put items directly into your recycling container.

Commercial Recycling & Organics Recycling Assistance

Does your business have recyclables or food waste? Does your multifamily complex generate recyclables or green waste?

If you answered “Yes,” Waste Management can help you set up or enhance your recycling programs at no additional cost.

Schedule of classes may be modified. Classes may be canceled or combined when minimum registration levels are not met.

• Credit or refunds will not be offered for class sessions cancelled or shortened due to inclement weather.

* No morning classes on Thursday, June 20, 8-11 am.
** No class on Thursday, July 4.
Swim Lessons

Preschool Aquatics
Your child will learn to be comfortable in the water, learn breath control by blowing bubbles and breath holding, floating, kicking, underwater exploration, and a combination of arm and kick movements. This introduction to the water without a parent emphasizes water adjustment, safety and fun.

Private Swim Lessons
Certified instructors provide 30 minutes of one-on-one instruction with you or your child to learn specific swimming goals geared to the individual’s ability and age.

Level 1 Swim Lessons
An introduction to water skills, this class is for children with little or no experience with swim lessons. Participants become familiar with the aquatic environment and learn elementary skills such as blowing bubbles, submersion, assisted floating, gliding and arm/leg action to build on as they progress through the swim program.

Level 2 Swim Lessons
This course is for children who can swim independently for a short distance and have no fear of the water. Participants must be able to enter the pool unassisted, retrieve an object from below the surface of the water, flutter kick, maintain a floating position on front and back with assistance, recover to a standing position unassisted, and exit the pool unassisted. This class builds on fundamental aquatic locomotion, safety and rescue skills presented in Level 1 with an emphasis on swimming skills.

Level 3 Swim Lessons
This class focuses on coordinating freestyle and elementary backstroke, proper breathing, swimming distances of up to 25 yards, and beginning diving. Students must be able to jump from the side of the pool unassisted, swim freestyle at least 10 yards unassisted, be comfortable in deep water, retrieve an object under the water, float on front and back unassisted, and tread water. Children must be comfortable in water over their head, class is taught in four feet of water.

Level 4 Swim Lessons
This class coordinates breast stroke, sidestroke and butterfly, freestyle and backstroke flip turns, and diving skills to increase swimming endurance. Students must be able to dive from the side of the pool in a compact position unassisted, swim freestyle at least 25 yards unassisted using rhythmic breathing, be comfortable in deep water, tread water, perform open turns on front and back, and show competency in breast stroke, butterfly and sidestroke kick.

Level 5 Swim Lessons
This class focuses on endurance and coordinates and refines key strokes presented in previous levels, teaching students to use them with greater ease, efficiency, and power over a greater distance. Students must be able to dive from the side of the pool in a stride position unassisted, swim freestyle at least 50 yards unassisted using rhythmic breathing, be comfortable in deep water, tread water, perform flip turns on front and back, and show competency in breast stroke, butterfly and sidestroke.

Parent/Child Swimming
A parent or other adult will receive guided demonstration to help their child become more comfortable in the water though song and play. Parents learn how to work with their child to introduce bubble-blowing, assist with arm and leg motion, and holds for front and back float with safety information. Babies must wear swim diapers under their swim suits.

Which swim lesson is best for your child?
To achieve the best learning experience for your child, we encourage you to take our swim lesson assessment before registering for swim lessons, available at www.PlayPalmdale.com. Please make your online selection carefully. It’s not always possible to move children from one level or facility to another if they are incorrectly placed. If you are unsure of the correct level after reading the course description, a lifeguard can test your child. For more information call 661/267-5611 or email aquatics@cityofpalmdale.org. Follow us on Facebook: Palmdale Aquatics & Follow us on Instagram: @PalmdaleAquatics.
Courson Pool Opening This Summer!

The saying “what was old is new again” is certainly true when it comes to Palmdale’s newest swimming pool. After years of creative planning and financing, the highly anticipated opening of the brand new Courson Park pool and pool house is set for July.

The new complex features an eight-lane 25 yard competition pool which will offer family recreation swim opportunities, lap swim programs, group and private swim lesson sessions; the City’s first splash pad with multiple spray and play features; and a brand new state-of-the-art pool house with changing rooms and office space.

Originally a Los Angeles County pool that was acquired by the City in 1962, its condition declined to the point where repairs were no longer possible. Plans for a complete rebuild were made possible through an arrangement with the development of the new Courson Arts Colony West apartments.

Courson pool is now one of four City pools, joining McAdam Park, Oasis Park and Marie Kerr Park in offering quality swimming and aquatics experiences for residents of all ages.

Adaptive Aquatics
Online registration opens June 13 at 7 pm.

Designed for children with neurological, developmental and cognitive challenges, this class teaches independent swimming and water safety. Students are gradually introduced to the water during private lessons, allowing them to better focus their attention. Students will have their swimming skills individually assessed via one-on-one instruction, and instructors will create daily lessons for each child. They will also learn social skills during partner activities and group games with classmates. This class follows American Red Cross Learn-to-Swim guidelines.

### PADI Open Water Diver

Learn the basics of scuba diving and how to stay safe through knowledge development and practical training. This course consists of three parts: knowledge development to understand diving principles, confined water dives to learn basic scuba skills, and open water dives using the skills learned to explore the underwater world. Students must supply their own scuba mask, snorkel, fins, dive boots and gloves. $299 materials fee. Instructor: Steve Thompson

An Aqua Pass is required to attend lap swim. Aqua passes are available as a 10 or 20-pack of swims and are renewable online at www.PlayPalmdale.com. First time purchases must be made at the Recreation and Culture office.

Program Scholarships Available

Recreation & Culture has a limited number of partial scholarships available for children to participate in select recreation programs. Any resident of the City of Palmdale is eligible to apply for a child 17 years of age and younger who is in their immediate family with qualified proof of hardship. Scholarships are limited to one per session (winter/spring, summer or fall) per child. The maximum amount of any scholarship award is 50% of the total registration fee. Please visit www.PlayPalmdale.com to apply.

Volunteer Coaches Needed

Do you like having fun? Are you good at giving out high fives? Would you like to create lasting memories? If you answered ‘yes’ to these questions, you fit the criteria we look for in our best volunteer coaches. With our core principles of fun, inclusivity, safety, and good sportsmanship, being a coach in our leagues is not only a breeze ... it’s a blast and can be a very rewarding experience!

All of our youth programs are coached by volunteers: basketball, softball, T-ball, coaches pitch, baseball, and volleyball. Coaching in our league is only a 2 to 3-hour commitment each week, and you get to pick the practice location and times. Games are played during the week and on Saturdays. We also have plenty of resources available to our coaches, including a thorough Coaching Guide, weekly practice plans and game tips, and Recreation & Culture staff members to assist.

To inquire, email our sports division at parksrec@CityOfPalmdale.org.
We Offer Hundreds of Classes Year-Round!

CALL FOR ARTISTS

GENERATIONS Juried Art Competition

Legacy Commons and Palmdale Playhouse are announcing a call for artists of all ages to participate in a juried art contest.

Artists may submit art of any subject matter, excluding nudity and adult-themed content, in any format, not larger than 16"x24", framed or unframed, and ready to hang. First, second and third place prizes will be awarded in each age category (55 years and older, 18-54 years, 17 years and younger).

ART GALLERY EXHIBIT

See the best of local artists at our intimate gallery.

GENERATIONS Juried Art Exhibit

Friday, August 23 through Sunday, October 7
Reception: Friday, August 23, 6-8:30 pm
Legacy Commons and Palmdale Playhouse

This popular art exhibit will kick off with simultaneous free receptions that include live music, light hors d’oeuvres, beverages, and wine. Winners will be announced and prizes awarded at the Palmdale Playhouse at 7:30 pm. Parking is free.
Tickets may be purchased online at www.PalmdalePlayhouse.com, or at the Box Office beginning two hours before each show, 38334 10th St. East. For more information, please call 661/267-5684.

### CAMPS

**Palmdale Junior Summer Theatre Camp presents**

**PRESS START**

By Denver Casado and Brian Dawson  
Saturday, June 29, 2 pm and 6 pm

*Press Start* will transport you inside the bright, pixelated world of video games! When the famous characters we know and love run out of lives, they put on a musical fundraiser to help them raise gold rings and play on. Through hilarious and heartfelt musical numbers, you will see the heroes, villains, and sidekicks like you've never seen them before. But when things go terribly awry, it's the quiet sidekick, Little Mushroom, who must find the hero within to help save the day!

Produced by special arrangement with Beat by Beat Press, New York, NY

**Tickets:** $7, family four-pack $20 (not available online)

**Palmdale Summer Theatre Experience presents**

**ALL I REALLY NEED TO KNOW I LEARNED FROM BEING A ZOMBIE**

By Jason Pizzarello  
Friday, July 26, 7 pm and Saturday, July 27, 7 pm

In today's chaotic world, we often don't know where to turn for help. Little did we know that life's most valuable lessons lie within the undead. Zombies engage us with musings on life, death, and everything in between. They show us that brains aren't everything … you are what you eat … and what doesn't kill you makes you … more alive.

Produced by special arrangement with Playscripts, Inc., New York, NY

**Tickets:** $7, family four-pack $20 (not available online)

**MUSICAL THEATRE CAMP**

Tuesdays, Wednesdays & Thursdays, 4-6 pm  
June 18-27, $44 or July 9-25, $58

Students will study and learn theatre songs with professional vocal instruction in a comfortable group setting. Camp will focus on vocal technique, ear training, reading music, harmonizing, and stage presence.

### SPECIAL THANKS...

To the community for supporting 8 sold out shows of *The Little Mermaid*! Wonderful cast … fantastic audiences … so many memories.

To *The Little Mermaid* cast. They raised $750 for the Oceanic Preservation Society in the name of the City, Palmdale Playhouse and Palmdale Repertory Theatre!

Your donations helped support the new Palmdale Playhouse dressing room project! Thank you for supporting community theatre and arts.

Musical dreams are coming true for West Coast Classical! Thank you to donors who raised over $70,000 to send 90+ musicians on their eastern European concert tour in Prague and Vienna this summer.

### RECITALS

**West Coast Classical Adagio Strings Orchestra, Prelude Strings Orchestra and Jazz Combo present**

**A LITTLE NIGHT MUSIC**

Thursday, May 30, 7:30 pm

After months of preparation, West Coast Classical is pleased to present an instrumental musical experience by its beginning students.

**Tickets:** $10/Adults, $7/Seniors, Students, Military, 12 & under

**West Coast Classical Flute Choir, Clarinet Quartet, Wind Ensemble, Encore Strings Orchestra and Chamber Orchestra present**

**MUSIC IN THE AIR**

Friday, May 31, 7:30 pm

Sit back and enjoy the benefits of music with a performance of some of your favorite classical, pop and jazz compositions featuring “The Addison Red Line,” “Ratatouille,” and “Galop.”

**Tickets:** $15/Adults, $10/Seniors, Students, Military, 12 & under
Stevie Ray Visited
Saturday, September 14
Celebrating the music of the late great Stevie Ray Vaughan, featuring, Roby Duron, Guitar Center’s “Guitarmagedon” National Finalist and L.A.’s Rock City News “Best Blues Guitar Player” with the Roby Duron Band. Tickets on sale now!
Tickets: $15

25 & Still Alive! The Playhouse Murders
Saturday, September 21
Murder Mystery Interactive Theater returns to the Playhouse to celebrate our 25th Anniversary!
Tickets: $24 (appropriate for ages 16+)

Explore the Stage: A Brief Introduction to Comedy
Saturdays, 10 am-1 pm
June 15 & 22, $15/class
Think for a minute about your favorite funny person. Picture them. You smile when you think of them. Are you smiling about a particular joke, or is it more about their unique style and point of view? Join us for a two-day workshop focusing on comedy. The first day will feature a group discussion after viewing classic, well-known comedy skits, routines, and scenes. The second day is a challenge for participants to stretch their skills with scene work. Discover why “dying is easy, comedy is hard.” For participants 17 years of age or older with some stage experience. This is not a stand-up comedy workshop. The instructor is a professional actor (AEA, SAG-AFTRA) with film, television, live theatre, and theme park improv experience. Register online at www.PlayPalmdale.com.

Theatrical Make-up Workshop
Saturdays, 9 am-12 pm
June 8, 15 & 22, $45R/$56NR
Enjoy watching videos of special effects makeup? Don’t just watch; learn how to do it yourself! Join us for a three-part workshop to learn the basics of stage makeup and cool special effects for the stage or just for fun! Sessions will focus on basic stage and old age makeup, animal and fantasy makeup, and horror and special effects makeup. The last session students can bring their own ideas and learn the best way to make it happen! Students must purchase their own supplies. Call the Playhouse for the supply list. Register online at www.PlayPalmdale.com.

The Tri Valley Arts Ballet Academy Summer Dance Camp Intensive
Monday-Thursday, 2:30-8:30 pm
June 17-27, $225
Tuesday-Thursday, 2:30-8:30 pm
July 9-25, $225
A fun and creative dance experience for young students with little or no dance experience. Ballet, hip hop, music, and craft activities are included. More experienced students will participate in a concentrated study of dance: ballet technique, pointe and variations, modern, hip hop, Pilates, salsa, and musical. Injury prevention, acting, music, nutrition, and how to audition will also be studied. Camp will conclude with a small showcase. For students ages 6-17. Register online at www.PlayPalmdale.com.

Tickets may be purchased online at www.PalmdalePlayhouse.com, or at the Box Office beginning two hours before each show, 38334 10th St. East. For more information, please call 661/267-5684.

Operated by the City of Palmdale, Legacy Commons for Active Seniors is a community recreational facility for those 55 years and older. Located adjacent to Legacy Park, it features walking paths, picnic tables, bocce ball courts, horseshoe pits, and a croquet lawn. Community members experience camaraderie, enhance their overall health, and foster self-reliance through our fitness classes, visual and performing arts programs, informational seminars, and special interest groups. Legacy Commons is dedicated to meeting the needs of all seniors and their families by helping them to live an enriched, active and independent life.

Become a City of Palmdale volunteer at Legacy Commons.
You don’t have to be a senior to make a difference at Legacy Commons. Our volunteer opportunities include:
• Volunteers for language courses such as beginning Spanish.
• Bilingual computer or technology individuals to teach basic computer skills and devices like smart phones, flip phones or tablets.

Visitors are invited to pick up a monthly newsletter that includes a detailed class schedule and features upcoming events. Legacy Commons is open Monday-Thursday 8 am-4:30 pm, Friday 8 am-12 pm.

Upcoming Events:

Father’s Day, Celebrate with root beer floats, June 17, 1 pm.

Juneteenth Celebration, June 20, 1:30 pm.

Mixed Media Art Class, every Monday, 1-3 pm.

Free Craft Workshops with Cheryl Huff, June 25, July 23 and August 27, 12:30 pm.
The Chimbole Cultural Center, located next door to the Palmdale City Library, is a one-of-a-kind facility that serves the Antelope Valley. It offers large and small rooms at an affordable rate for different needs. The Manzanita Ballroom is an elegant and spacious room with a seating capacity of 300 people that can accommodate seminars, receptions, meetings, weddings, quinceañeras, celebrations, and holiday parties. Amenities include a dance floor, kitchen, stage and audio-visual capabilities. Outside catering can be brought in. Tables include round or banquet style with chairs to accommodate different room layouts. The Manzanita Ballroom audio-visual system has recently been upgraded to include Wi-Fi. The room offers two large projectors and screens for slideshows and presentations with conveniently located laptop inputs. The audio system includes hard wired and wireless microphone capabilities. Facility staff is friendly and courteous. Rooms can be reserved in a 45-day booking window on a first-come first-served basis. Meeting rooms are available on Mondays, Tuesdays and Fridays from 12-6 pm, Wednesdays from 8 am-10 pm, and Thursdays from 8 am-6 pm. Once every six months the ballroom is available during the same hours, except Fridays. Current 501(c) (3)(4)(5)(6) status is required. The Chimbole Cultural Center is in high demand, we recommend that you inquire early. For more information and to submit a facility reservation request, visit www.PlayPalmdale.com. Book your event today!
Welcome to Your

Palmdale City Library!

Vibrant Collection of Materials
Whether you’re looking for the latest best-seller, DVDs, eBooks, computer access, story times or programs for all ages — the Palmdale Library has it all! With access to over one million items through the Inland Library Network, Palmdale library patrons have access to a wealth of materials for enrichment and entertainment.

Free Programs for All Ages
We offer year-round interactive Library programs for children, teens and adults. Hear stories, make crafts, create art, play games, watch movies and explore the library. Follow us on Facebook and Instagram to learn about all the fun events going on at the library.

Downloadable EBooks
Did you know Palmdale City Library offers free downloadable eBooks and eAudiobooks? All you need to access these collections is a valid Palmdale City Library card. Download the Cloud Library app on your electronic device to get started. It’s easy and free!

Database Spotlight
Palmdale City Library’s collection includes access to several online databases including HelpNow Online Tutoring, ProQuest eLibrary, and Mango languages.

Mango Languages
Bonjour! Hola! Ciao! Is learning a new language one of your goals? We can help! Mango Languages conversation and film based digital resources can help you learn over 60 languages, including English, and is available for free from home (or anywhere!) with your Palmdale City Library card. To get started, visit www.cityofpalmdale.org/library, or try the Mango app!

Summer Reading Program

Yee haw! Saddle up and head on over to Yellen Dog Park! Join other dog owners and kick up your heels as we celebrate our second annual Paws in the Park. Entertainment includes a splash zone and fun photo area. Think your dog has hidden artistic talent? Paw art supplies will be available for your Wagging Warhol. Remember to bring swimsuits, ‘paw boots’ and ‘cowdog’ hats. The dog park features separate enclosures for big and small dogs to allow them to socialize freely and make new friends.

School’s out for summer!
Parks are open and offer safe, recreational fun. Stop by the park offices to check out a ball, join daily games, or relax under a shady tree. Come find out what’s new in your park today!

Outdoor Recreation
| June-August 2019

Flag Day
Friday, June 14, 9:30 am

Twilight Tours
May 16, June 13, July 18, August 15
Tours at 6:30 pm and 8 pm • Gates open 5:30 pm
Pack up a picnic dinner and take the family for a unique night out at the airpark! Enjoy the aircraft displays on our free guided tours. The airpark’s picnic tables and BBQs are available, first-come, first-served. Parking is free.

Adopt-a-Plane
2nd Saturday of each month. No events in July or August.
Palmdale’s Adopt-a-Plane program allows interested groups to “adopt” one of the aircraft displayed at Joe Davies Heritage Airpark at Palmdale Plant 42.
Groups who adopt a plane commit to cleaning the aircraft display on an as-needed basis, typically once per month. Groups should consist of 6-10 people for most planes. Cleaning is done between 7-10 am on select Saturdays; other days are subject to approval. All cleaning tools and materials are supplied by the City of Palmdale. Adult supervision is required for minors.
Adoptions are available on a first-come, first-served basis. As part of the program, all adopting groups receive:
• Group name on a sign next to the aircraft
• Group name on City’s website
• Press release announcing the first scheduled cleaning
• Invitation to special events at the Airpark
• Recognition at annual awards ceremony

Your input wanted!
Community park design meetings will be coming soon to discuss updates to Rancho Vista, Yellen, Arnie Quinones and Oasis parks. This is a great opportunity to give your input on the future of these parks.

The winner of the City’s logo design competition for Inkwell: Palmdale’s Book & Art Festival is Palmdale resident Lindsay Kristel. Kristel won $500 and her logo will be featured on promotional materials, signage, media and merchandise for the Inkwell event.

“Our selection committee was very pleased at the number and quality of submissions received,” said Palmdale Recreation Coordinator Laura Rice. “We unanimously chose this design as it best told the story of the event. We’re happy to call it the official logo of Inkwell: Palmdale’s Book & Art Festival.”

“I am so excited and honored to have my logo selected as the official design,” Kristel said. “I’m proud of the artistic opportunities the City of Palmdale is affording the community.”

Inkwell: Palmdale’s Book & Art Festival is a unique opportunity for artists and authors to display their art and literary work, and to network with other artists, authors and the public. It’s a lively family event that includes live music, children’s activities, and artistic and literary opportunities for all.

The event was held on April 27.

For more information about Inkwell, visit www.CityofPalmdale.org/Library or call 267-5600.
