

COUNTY OF LOS ANGELES
Public Health

General L.A. County COVID-19 Requirements

Stay home if you are sick with a cough, shortness of breath, difficulty breathing, fever or chills, or if you are currently under quarantine or isolation

Stay 6 feet away from non-household members.
Do not engage in unnecessary physical contact.

Wash hands frequently.

Use sanitizer after contact with frequently touched surfaces

All ages 2 and older must wear a face covering over their nose and mouth when out of the water.
Age 2-8 should wear a face covering with adult supervision.

I understand that the City will take precautionary health and safety measures and comply with all required directives from public health officials. However, an inherent risk of exposure to COVID-19 currently exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the CDC, senior citizens and individuals with underlying medical conditions are especially vulnerable. By participating in the City's program I voluntarily assume all risks, and agree to hold the City harmless from any damages, related to exposure to COVID-19.
